HIRE AGREEMENT

Conditions of Hire

1. Only financial members of the Guild may hire equipment.
2. If you want to take equipment out of the rooms, you must pay the deposit and hire fees and complete the details of the Hire Agreement form.
3. Equipment on hire must not be given to another person without the permission of the Guild's equipment officer
4. The hiring member is responsible for arranging transport and defraying all costs associated with moving the equipment from and back to the Guild rooms.
5. Deposits can be by cash, credit card or direct deposit and will be repaid, by cheque, when the equipment is returned in good order and all hire fees have been paid.
6. Hiring fees are to be paid in advance and are calculated on a calendar month basis.
7. Please keep the equipment in good working order and report any wear and tear. The cost of any major repairs that need to be made as a result of damage during the hire period will be taken out of the deposit.

Looms

When transporting looms immobilise the heddle frames to prevent screws loosening. Screws on heddle frames should be checked and tightened occasionally, replacements are available from the Guild.

Springs: do not stretch the springs by leaving shafts raised whilst you are not weaving.

If it is necessary to change heddles from one shaft to another, please return them to the original shafts and make sure they face the same direction as the existing ones.

Please remove any replacement heddles and clean fluff from beater channel.

Spinning wheels

When returning, please make sure you return all bobbins and remove all spun yarn.

Corders and Handcards

When you return them, all fibre is to be removed, preferably by a vacuum cleaner.
